### As Salaamu Alaykum wa Rahamatullahi wa barakatuhu,

Through the Help of Allah and you, we were able to accomplish many amazing accomplishments.

Not only were we able to surpass our goals but we were able to add to them:

- ★ Open 2 chapters ✓
- ★ Fund 15 students ✓
- ★ Give \$75,000 of interest-free loans ✓
- ★ Have 15 events around the country ✓

One of the highlights of 2015 was the expansion of our mission to include financial and career education. Alhamdulillah, we visited a few communities throughout the US thus far.

"To promote the Islamic and intellectual development of Muslims in the US by providing interest-free loans and education on college-finance and career planning"

We also made two huge changes in our organization that our recipients and us have already benefited from.

- 💡 Use professional volunteers to replace our paid staff with the goal of reducing operational expenses.
- 💡 Give equal preference to refinancing loans. A faster repayment schedule helps get more recipients in and out of our system thus benefitting more people.

May Allah (swt) bless our supporters and recipients and allow them benefit the community through their education and service! Ameen!
